game,
 I've hard to avoid being late soon--
 Something really nice has happened
 this year - Somehow we got to know
 each other so much better even tho'
 we've known each other forever.
 Cards, telephone calls, bananas,
 shlangers and chills will never be
 quite the same, all of this will
 never be ~~quite the same~~ ^{this way again.}

(Our phone bills next year will
 be humorous!) Anyway--
 I love you, I love you! My
 beautiful, dear friend
 your friend
 Lark

P.S. I don't think we're the
 only ones around who
 think all those weird
 things - God I hope not!

Carol -
 I hope you have a
 nice summer and a
 very good next year.
 Keep in touch, for I'll
 miss you.

 This is the first
 annual for me to
 sign and I'm not
 sure how to start.
 It seems strange
 that you're gradu-
 ating! I remember
 when you were a
 cheerleader at
 Mulholland! Well, the
 best of luck always.

Carol, it's been great being
 in physiology with you. Remember
 when we took golf lessons together?
 and back in college. Love Ken Tucker

Carol, it has been nice
 being in a class with you

To have you in
Mr. Morris' physiology
class was really a treat
especially when we had
6 weeks of subs and we
had a better chance
to get to know each
other.

Love, Scott Joffe

Carol,
Remember the good ol' sickening
times we had in Segal's class?
And how about Mr. Morris' slave-
driving class? Well, they were both
horrid classes but thank God they
are over and now we will move on
to college. There we will probably
get terrible profs too.
Good luck.

Dear Carol,

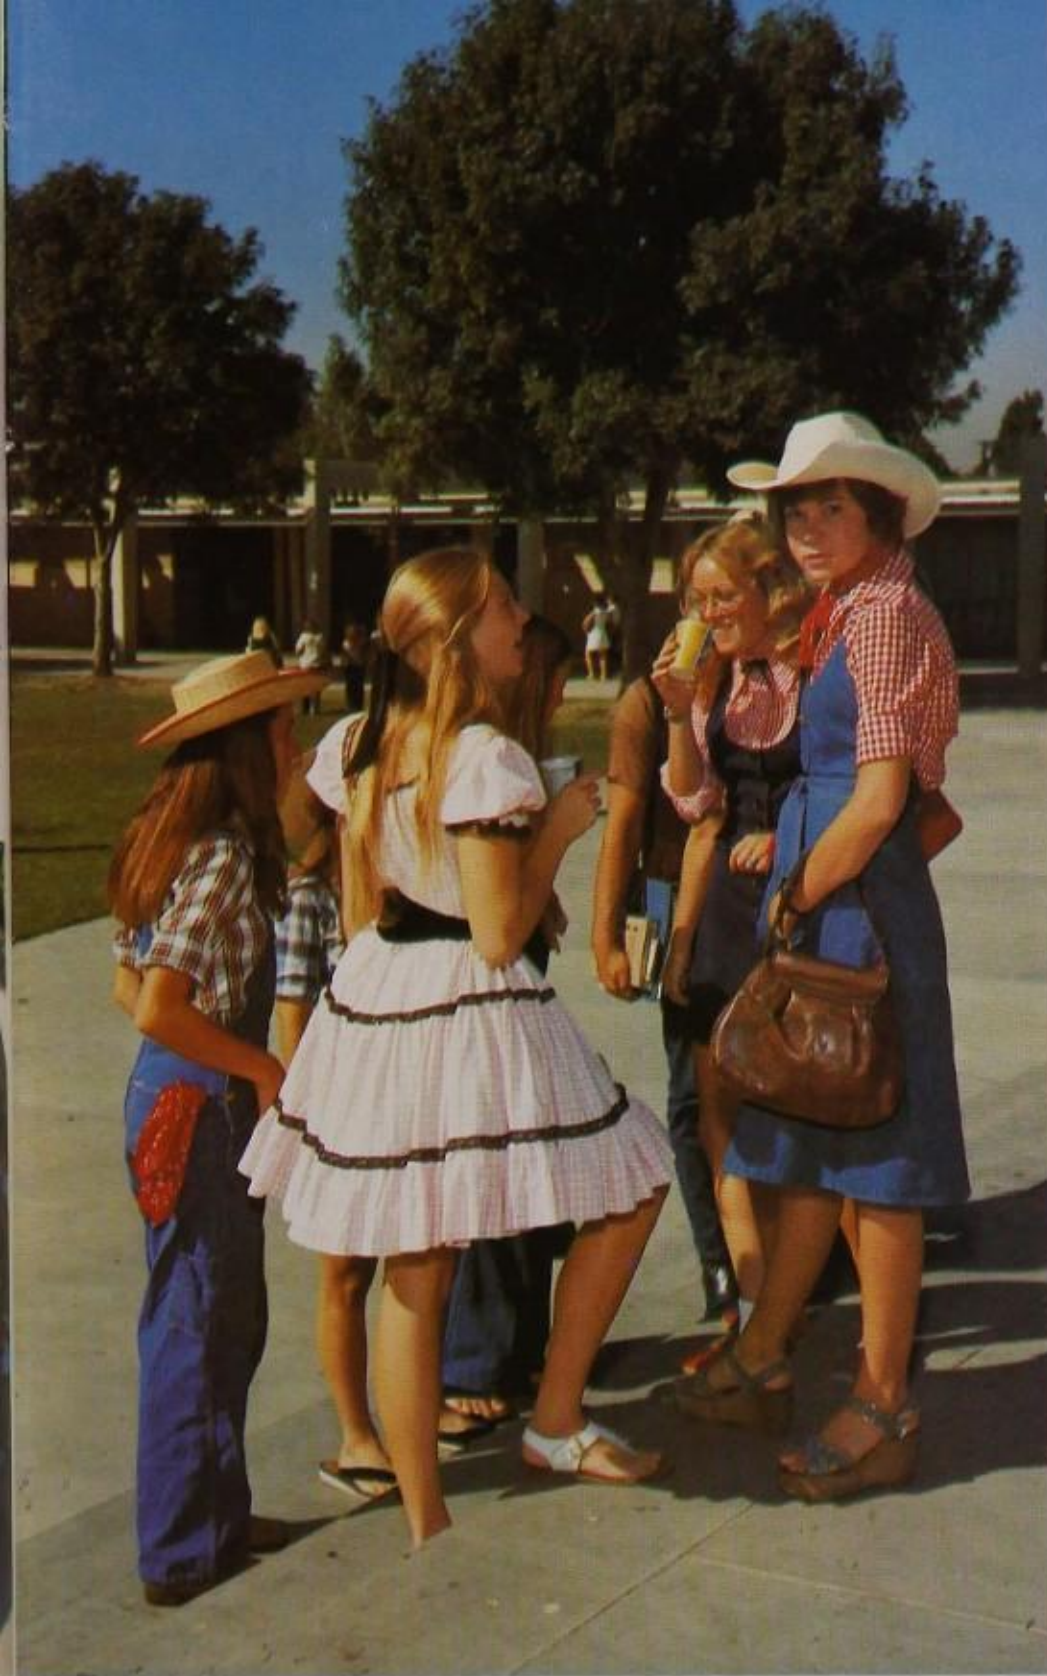

It has been quite an experience sharing a 12' x 12' (Van Meter's) at ranches 3 Sunday Times of the year. I have learned quite a bit from you and while I can't say I value our warm relationship (I do value our acquaintance) I will value whatever memories I have of the good times, the simulations, debates, and any other valuable piece of important & greatly forgotten trivia. Have a great life (I already know you will) and a happy future. Anyway,
Love

Prom Staged at Marriott

It was late in the month of May, and the time for graduation was almost upon the Class of '76. Crowds gathered at the luxurious Marriott Hotel as the breezy ocean air began to descend inland.

The long awaited prom began with a flurry of excitement as couples entered the plush hotel to start dancing to the mystical sound of "Shades of Brass." The prom's theme, Mahogany, portrayed a feeling of romance as the couples embraced and reminisced events of the past three years. The lyrics of Mahogany, "Do you know where you're going to?", seemed appropriate for the seniors who looked forward to graduation and the years ahead.

ACTIVITIES

With all my heart do I admire
Athletes who sweat for fun or hire,
Who take the field in gaudy pomp
And maim each other as they romp;
My limp and bashful spirit feeds
On other people's heroic deeds.

Fireworks Lit Homecoming '75

The 1975 Homecoming began with an explosion as fireworks lit the sky during halftime of the Varsity Football game. Nineteen decorated floats, constructed by various clubs and organizations, graced the Brave Stadium as each presented a nominee for the Homecoming Court. A Student Body election determined the finalists from each grade level and a panel composed of students and faculty selected the 1975 Court.

The annual Homecoming Dance on November 15 brought tears and smiles as old friends and alumni were united in the auditorium. The highlight of the evening came with the crowning of Queen Dana Silverman and her Court, Debbie Bowles and Lynn Sevy. The crowning was performed in the traditional manner by the 1974 Queen, Rosanne Sanchez. The thrilling atmosphere was set off by the band "New York City". Special thanks go to the Knights and the Ladies for organizing the memorable Homecoming activities.

50's Flashback at Vice-Versa

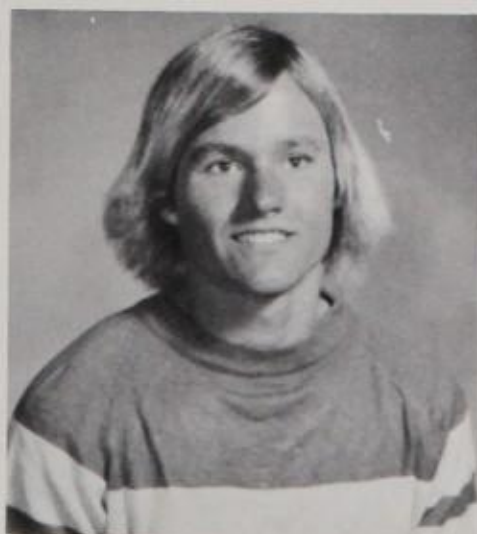

On Friday night, December 19, the second annual semi-formal Vice-Versa Dance was staged in the auditorium. "Lil Elmo and the Cosmos" entertained the crowd with amusing stunts and nostalgic songs. The highlight of the evening came when Betty Rosen, Y-Council President, announced Birmingham's Most Desirable Males. Previous to the dance, clubs and organizations nominated guys from each grade level and finalists were chosen by a student body election. Vic Rosenthal was the senior class choice, Rick Bushnell was selected from the junior class, and Bill Despard was declared most desirable in the sophomore class. A trophy, accompanied by a kiss, was presented to each guy by girls of the 1975 Homecoming Court.

Dramatists Dazzle Dozens!

Drama students under the supervision of Mrs. Myrna Winer began preparation in September for an eventful season. The first performance was in November at the California Drama Festival. Moliere's "Scapino" was selected for the term play and presented in December by an outstanding cast led by Anthony Tassinari as Scapino and Michael Lederman as Sylvestro.

As the spring semester emerged, the troupe traveled to Los Angeles Valley College for a One Act Composition and to Beverly Hills High School for the Shakespeare Festival. "The Rainmaker" by Richard Nash was staged in May as the finale to the season. The distinguished cast included Larry Friedman, Clinton Thomson, and Ross Jones. At year's end, an inspired Mrs. Winer declared, "We have accomplished our goal, and we're all excited over the prospect of next year. We'll have the new theatre, an enthusiastic production group and new ideas."

Enthusiastic spectators filled the stadium on December 11 for the annual Powder Puff rivalry. Crowds roared as the junior and senior teams hustled onto the field. Both teams seemed ready for the clash after weeks of strenuous practice under the direction of coaches from Birmingham's Varsity football team. The seniors, who dominated the game, showed skill and accuracy as they handed the juniors a 12-0 defeat. Underclassmen watched in dismay as their junior team sank slowly into the turf.

Perhaps the most eye-catching spectacle of the event was the "volumptuous" cheerleaders who inspired their respective teams with comical cheers. The Powder Puff classic as well as the sideline activities proved exciting for all involved.

Love Sparkled at Birmingham

Valentine's Week began with a "smacking" start when five couples were nominated for Birmingham's Favorite Sweethearts. During activity period, each couple participated in the popular Nearlywed Game. This revealing interlude proclaimed Kathy Leetch and Todd Molnar as Birmingham's best matched couple.

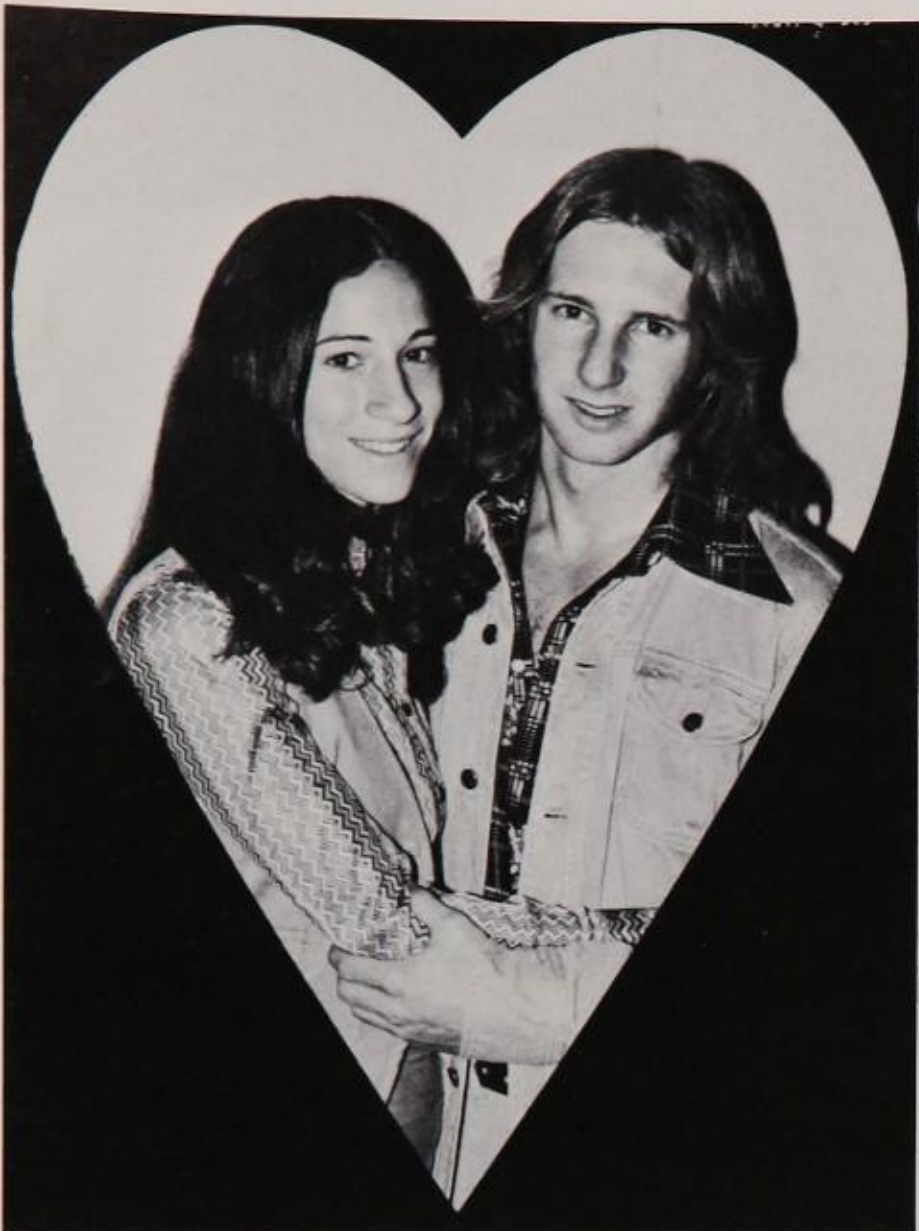

Friday, February 13, was a day filled with anticipation and excitement as Valegrams, sent by hundreds of admirers, were delivered by Y-Council members. The culmination of the week's activities was the annual Sweetheart Dance held on February 14. Students danced to the exciting sounds of "Mizzouri Fox" as they introduced "the hustle", "the bump", and "the bus stop." As the dance came to an end, the Nearlywed victors, Kathy Leetch and Todd Molnar, were declared Birmingham's Favorite Sweethearts. Other finalists included John Solitaire and Kim Feuer, Alan Norman and Jody Smith, Mike Lederman and Kathy Hilburn plus Alan Carnegie and Stacey Weidman.

Programs Cater to Diverse Needs

The instructional program at Birmingham accommodates students with diverse interests by offering a variety of unique programs. Childhood Education Aide (CEA), Journalism, and Special Education are such classes.

CEA is a vocational skills class to provide training in early childhood education. Students in this program work with young children on Birmingham campus and earn 5 or 10 credits per semester. Off campus training is also available as teachers' assistants in Elementary or Private Pre-Schools.

The journalism staff, under the direction of Mr. Max Berkovitz, prepares the *COURIER* for ten publications each semester. Reporters collect information then write feature stories and editorials to keep the Student Body informed on current issues and campus events.

Sixty-four students from all parts of the San Fernando Valley participate in the special education program. The seven member department conducts classes for the deaf, hard of hearing, the blind, partially sighted, and the educationally handicapped. They also staff resource rooms to help students learn and study effectively in a relaxed academic setting.

Guppies Surface Strong in City

The 1975 Girls' Swim Team surfaced as a strong competitor in the West Valley League. The guppies clinched third place behind Chatsworth and Canoga Park. Nineteen Birmingham girls qualified for the All-City Meet, and the team united to claim its third place City title.

In the City Meet, Liz Irek, Susan De Castro, Sheri Shaw, and Suzie Krueger captured a first place award in the Cee Free-Relay Division. Miss Sass, coach, had indeed conditioned the team to their greatest ability. This was evident when Sophomore Liz Irek emerged to win a position on the 1975 City All-Star Swim Team.

Racqueteers Ace Opponents

The tennis team walked onto the courts in September eager to retain the West Valley League title. The Girls continually outplayed each successive opponent and approached the City finals with a 10-0 record. After four matches in the City finals, the Brave racqueteers placed third in the Los Angeles City play-offs.

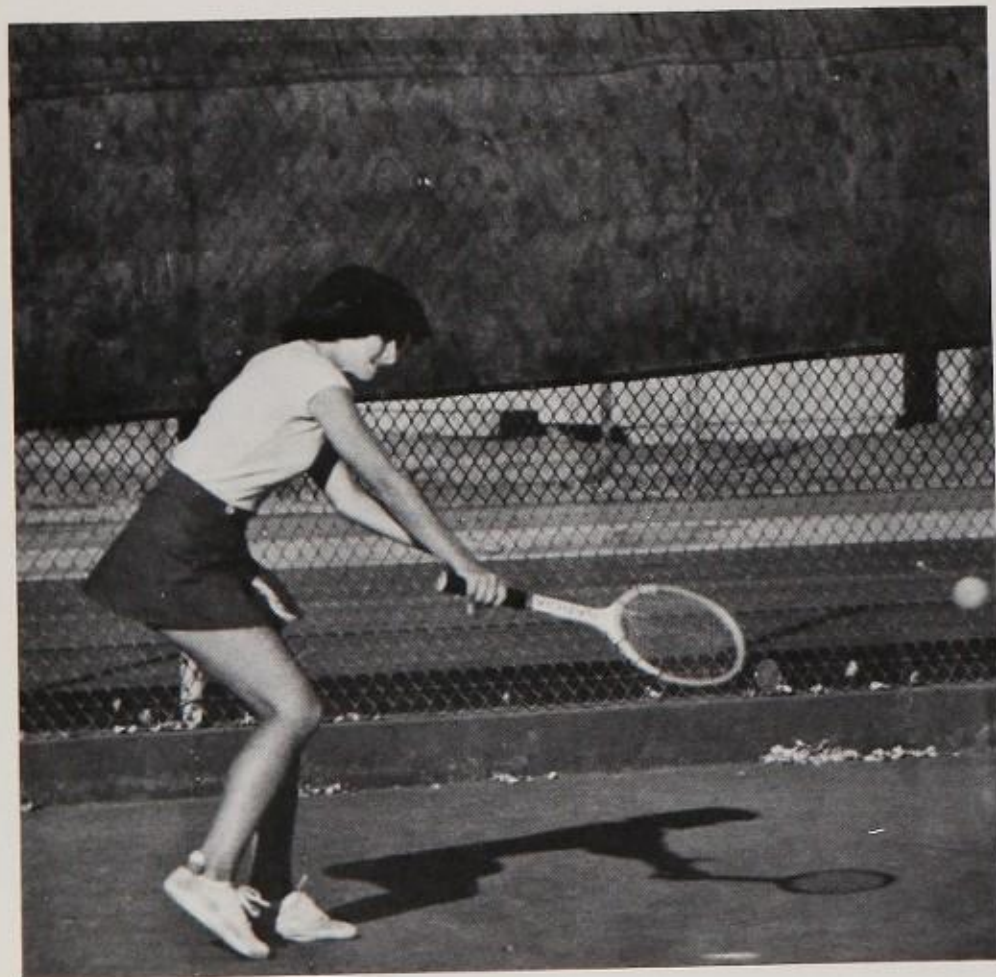

The style and agility of Teri Olsen, who had a remarkable undefeated season, inspired the team toward its victorious season. Seniors Carolyn Burley, Laurie Williams, Lori Hershberg, Alice Glasner, and Jean Abram added a touch of experience to the Brave squad.
